What is your connection to Gifted Children? Are you an educator, parent, or gifted individual? Do you have special interests or expertise with working with the gifted? Please let us know!

Benefits of Membership:

On-demand learning (practical webinars, continuing education opportunities)

- Networking Channels (connect with other stakeholders throughout the state of North Dakota, mentoring support)
- Advocacy Support
- Discounted rate on future conferences

Your membership makes an impact through:

- NDAGC's work with Department of Public Instruction and legislators to ensure that gifted education continues in North Dakota.
- NDAGC's conferences throughout the state that teach theory and practice essential to the education of gifted students which in turn has a positive effect for all students.
- Continued free access to NDAGC's website which serves as an important resource with information about gifted education in the state of North Dakota.
- Providing opportunities for gifted students throughout the state of North Dakota to share ideas and take an active role in NDAGC.

NDAGC is a registered non-profit organization and gladly accepts donations to be used in support of our mission.
